

WILTON HIGH SCHOOL MUSIC BOOSTERS FUNDRAISERS

Terms and Conditions

- By participating in Wilton High School Music Boosters (WHSMB) fundraisers, students and parents agree to the terms and conditions listed here below and on the WHSMB web page at www.whsmusicfans.wordpress.com.
- The purpose of our fundraisers is to assist WHS music students in raising money to offset their cost of the adjudication trip as well as raise money for WHSMB. If students participate in fundraising, and for any reason do not attend the trip, all fundraising earnings will be forfeited to the benefit of WHSMB.
- Students will be credited a percentage of fundraising sales toward their cost to attend the adjudication trip. Percentages vary by item, but generally range between 35% and 55% of each item sold, and are determined by WHSMB in its sole discretion. Student earnings will go only toward offsetting the cost of their trip and will not exceed the total trip cost. If a student earns more than their cost to attend the adjudication trip, any excess earnings will be forfeited to the benefit of WHSMB. Under no circumstance will any student earnings from the fundraiser be paid directly to a student or parent.
- WHSMB uses school rules, policies, and core values as a reference for their organization. Parents and students are expected to conduct themselves in a manner in accordance with the Wilton High School Student Handbook while participating in our fundraisers. Any participant not doing so will be asked to stop fundraising immediately, and any profits from sales may be subject to forfeiture to the benefit of WHSMB. This includes any and all interactions with the volunteers and buyers of the fundraiser, whether it is via email, text, phone, or in person.
- Only orders submitted on the official WHSMB fundraising form will be accepted. Anyone using unofficial forms to solicit sales will be subject to having all of their earnings from this fundraiser forfeited to the benefit of the WHSMB.
- Unless prior arrangements are made with WHSMB, ***students are required to pick up all orders on the date and within the time frame specified by WHSMB, and deliver all orders to their buyers.*** Any orders left behind for buyers to pick up or not picked up by the end of the day and time specified for pick up, may be subject to the redistribution of the earnings associated with the order. WHSMB volunteers will not make home deliveries.
- The WHS Music Boosters Board has sole discretion over any disputes associated with the fundraiser, including but not limited to calculation of student earnings.
- All proceeds support the Wilton High School Music Adjudication Trip and/or WHS Music Boosters a 501(c)(3) organization.
